06 / Charging Diagram

Charging the Earphones

Put the earphone into the charging bin to close the cover, and automatically charge the earphone. The white light of the charging bin will turn off the light after 4 seconds. Close the cover to charge the headset and turn it off.

Charging the case (Type-C & Wireless Charging)

Plug in the **Type-C** interface data cable to charge the charging bin or Place the charging case on **Qi-enabled charger** for wireless charging. When charging, the orange light is always on. When the orange light is fully charged, it turns to white light and turns off the light.

Charge Times

The charging case will recharge the earphones about 4~5 times

Safety Information

- To protect your hearing, do not listen to audio at a high volume for a long period of time.
- Ideal temperatures: 0°C to 35°C for operating; -20°C to +45°C for storage.
- Ensure that the power adapter meets the requirements of IEC/EN 62368-1 and has been tested and approved according to national or local standards.
- Observe all local traffic laws and regulations while using this product. Do not use this device when you are driving.
- Keep this device and its accessories that may contain small components out of the reach of children.
- Otherwise, children may damage this device and its accessories by mistake, or swallow the small components, which may cause choking.
- Avoid using the device in dusty, damp, or dirty environments, or near sources of magnetic interference.
- Avoid disassembling or modifying your device and its accessories.

Precautions

- In order for the earphones to function correctly, keep the mesh, ear tips, as well as the metal contact points on the earphones and charging case clean.
- If you experience any skin irritation while wearing the earbuds, remove them and clean them thoroughly. If the issue persists, seek advice from a medical professional.
- Enabling noise canceling may affect your awareness of surrounding sounds and alarms. Ensure that you are in a safe environment when using this function.
